## Regulations for 4DX cinemas

For a comfortable and safe 4DX Cinema experience, we ask that you read the following terms carefully and follow our safety instructions every time you visit a 4DX movie. By purchasing your 4DX ticket you confirm that all rules and instructions have been understood and accepted.

### General terms of conditions

1. The 4DX cinema seats combine movements with special effects. All effects are listed below and are indicated by pictograms.
2. The effects can occur unexpectedly and be of intense impact.
3. In case of health problems, it is advisable to consult your doctor before the screening. To ensure your safety and prevent unwanted results, the 4DX Cinema Experience is not recommended for people with the following ailments:
  - epilepsy
  - High blood pressure
  - Cardiovascular problems
  - Back / neck problems
  - Orthopedic problems
  - Travel sickness
  - Respiratory problems or allergies
  - other serious physical or psychological problems
4. For your own safety, we also advise against the following persons visiting the 4DX cinema:
  - Pregnant women
  - Older persons with reduced mobility
  - Persons under medication, alcohol or drug influence
  - Persons less than 100 cm tall
  - Persons weighing more than 120 kg
5. **Access is not permitted for children under 6 years of age or under 100 cm of height. Children up to 8 years of age or under 120 cm tall must be accompanied by an adult.**
6. In general, the official age rating of the respective canton applies to every screening.

### Safety rules for the 4DX cinemas

1. Sit comfortably in your numbered seat and keep your feet on the footrests.
2. The space in front of your seat must be kept clear.
3. Avoid delicate clothing or other items that may be adversely affected by the 4DX effects. Be sure to protect your clothing from wind, water, air bubbles, and strong odors.
4. If you do not want the water effects, you can turn this mode off with the button on the right side of the armrest.
5. For your own safety and those of other viewers, we recommend that you do not get up or walk around during 4DX projection. If this is unavoidable, please be careful not to stand on the footrests.
6. Drinks are only allowed in closable bottles. Hot drinks and nachos are prohibited in the 4DX cinema. Please always pay attention to your drinks as these may cause damage or failure on the 4DX seat.
7. Pay close attention to your personal items, especially if they are fragile. We assume no liability for damaged or lost property.
8. Never approach the spray nozzles, especially with your eyes or head but also with your personal belongings, as this could lead to injury or damage.
9. **blue Cinema** disclaims any liability for injury, health problems, loss or damage. Visiting the 4DX is at your own risk.
