## Facts & figures

For film fans, the Cinedome offers 10 auditoriums with state-of-the-art picture and sound technology. The clear highlight is the IMAX® cinema with the largest screen in the region and the DOLBY-ATMOS-cinema. Bowling with a sports bar and the Gamezone as well as Laser Mission City, which opened in 2023, also provide plenty of action. The large, light-flooded event foyer is available for an apéritif or stand-up lunch. The burger restaurant "Hans im Glück" rounds off the wide range of activities on offer.
